**We design
interiors
that evoke
emotions.**

How we do it?

We create spaces with a soul
by telling their stories

Detail is king. That's why it plays
a key role in our projects

Interact with our spaces with
all your senses. We build
the experience of the place
on a multisensoric level

STORY #12

Slavic spa

A SPA that is nowhere to be found. In the heart of Warmia, by Lake Wiartel, close to nature, looking towards Slavic roots. Spaces inspired by mysticism, folklore and the search for a fern flower on Midsummer.

place: *Przylasek SPA*

size: 600m²

location: *Wiartel*

design: *SPA interior design (reception, massage rooms, saunas,, ritual areas, manicure sections, pool and relax area, bathrooms, dressing rooms), furniture and decor*

STORY #13

Feels like home

A historic tenement house with a soul in the old town of Lublin (... or maybe in Paris?) 4 floors steeped in history and secrets. Glossy wooden railings, a dusty mosaic, and tiled stoves. Velor sofas, dim light ... Can you hear the piano in the background?

place: *Aparthotel*

size: 1200m²

location: Lublin

design: project of 3 restaurants, apartments, reception, patio and communication

STORY #14

Oasis of peace

A villa with a history as big as her garden. Surrounded by a park and a river behind which you can see Germany. Fine windows overlooking the garden, light flickering through the stained glass windows onto the classic parquet floor. Intimate and elegant interiors.

place: *Villa Toro, boutique hotel*

size: 400m²

location: *Zgorzelec*

design: *restaurant, apartment, reception, patio and communication design*

STORY #15

Away from city noise

The largest city SPA in Warsaw with a newly built hotel. A complex of various saunas and swimming pools, conference rooms and 4 floors of modern rooms. The challenge was to expand the existing care zone and to add a second tower-building to be part of the current one.

place: *Urban SPA&hotel*

size: 4000m²

location: Warszawa

design: SPA (saunas, massage rooms, reception, relax area), hotel rooms
